Microsoft Campus Agreement

This campus-wide licensing programme allows Further and Higher Education institutions to install and use a wide range of Microsoft products for a full calendar year without having to track licences during the subscription term. Key benefits of this programme include:

- Counting people (full time equivalent staff)
- One annual payment for all software at academic prices
- Licensing your entire establishment or department
- Access to the most current version of licensed software
- Ability to downgrade to an earlier version of software
- Broad product selection available in all languages
- Microsoft Windows or Apple Macintosh platform
- Optional student licensing for use at home
- Automatic media fulfilment

Subscription features

Customer Profile

Further and Higher education establishments looking for a simple, flexible subscription licensing agreement.

Minimum Requirements

300 units per enrolment. Total units = no. of products x no. of full-time equivalent staff (FTE) + server units count

Customer may order subscription licences for a wide selection of Microsoft software through the Campus Agreement programme.

The Campus Desktop package includes:

- Windows 7 Enterprise Upgrade
- Microsoft Office Professional Plus 2010 and Microsoft Office for Mac 2011 Standard Edition
- Microsoft Core CAL Suite

The Campus Desktop with Enterprise CAL includes:

- Windows 7 Enterprise Upgrade
- Microsoft Office Professional Plus 2010 and Microsoft Office for Mac 2011 Standard Edition
- Microsoft Enterprise CAL Suite

Products' Availability

Please refer to the Microsoft Volume Licensing Product list for complete details of currently available products.

Term

Master Agreement has no expiration date

Renewing Agreement

Once a Master Agreement is in place, Subscription Enrolments are submitted for 12 or 36 months of licence coverage.

Your options are:

- extend your subscription enrolment under the one-year licensed period
- submit a new subscription enrolment under the three-year licensed period
- exercise the buy-out option (see below)
- allow the subscription enrolment to expire, and stop using the software

Pricing Levels

Tiered price for non-perpetual licences covering all institution computers based on the number of faculty/staff Full Time Equivalent (FTE) employees:

Level A – Minimum 100 Units

Level B – 3000 FTE or more

Contact Viglen for specific pricing

Student License

Student Option licenses all of your students to use products on their personally-owned computers. Minimum requirement of 100 units. Student and faculty/staff orders cannot be combined to meet the minimum requirement

Staying Current on Software

Customers are licensed to run any version of products, including product upgrades released during the designated agreement/order term

Product Fulfilment

Institutions automatically receive one complimentary Product Welcome Kit containing CDs for all products, and also receive CDs for product upgrades occurring during the subscription term.

Access to Software Assurance Benefits

Yes.

Work at Home Rights

Yes, for faculty and staff users.

Buy-out

Customers wishing to convert their subscription licences to perpetual licences can do so through buy-out licences. It should be noted that the costs of this can be significant and should be fully understood as part of the decision to choose Campus Agreement licensing. Please contact Viglen for more information on buy-out licences.

There is a reduced price for buy-out licences of 1.75 x the annual subscription fee for the main products (Windows, Office, Servers and CALs) if the institution has held subscription agreement(s) for three years or more.
